Grußwort von Simon Singh zur Langen Mathenacht des Gymnasiums Verl

„Congratulations to all the teachers and students on arranging such an wonderful event. It is great to see mathematics being taught with such enthusiasm, and in a way that will convey the applications, importance and impact of of mathematics, from ancient times up to the Information Age. Cryptography is a fascinating subject and I wish you good luck in your codebreaking efforts.“

Ich danke Jutta Kloß, die den Kontakt zu Simon Singh hergestellt hat.
